Use this checklist to track your daily self-care practices. Start with a daily affirmation – words of inspiration to set the tone for your day. Then fill in what you plan to eat for each meal, an exercise (yoga, walking, etc.) and an evening self-care activity (Epsom salt bath, pedicure, cup of tea). As your day progresses, simply check off each practice. Right before bed think of one thing you are most grateful for and write it in the final box. *Many Blessings!*
